Dear Mr. Shajary:

Re: Western Claims and Crescent Claims Landfills, M/041/009, Sigurd Quarry,  
Georgia-Pacific Corporation, Sevier County, Utah

Thank you for your letter dated October 15, 1991. The letter discusses several commitments made by Georgia-Pacific Corporation, regarding the final reclamation of the Western and Crescent Claims landfills. The Division finds these commitments acceptable.

The Division will be able to approve these amended areas, once the following information is provided by Georgia-Pacific.

1. A large scale map showing the location of the Crescent Claims landfill within the Crescent Claims Group. The Division already has a small scale map showing the location of the Crescent Claims.
2. A description of the current and predicted size, or extent, of the Crescent Claims landfill.
3. Surface and Mineral ownership of the property on which the landfill is situated.

This information is similar to that which Georgia-Pacific supplied the Division relative to the Western Claims area. My apologizes for neglecting to ask you for this earlier.

Thank you for your efforts.

Sincerely,

Holland Shepherd  
Senior Reclamation Specialist
